Greetings Sponsors!!

“Brandon’s Battle” is a non profit organization founded in “*honor of*” and *continued on in the “memory of”* my son, Brandon Hohenadel. Brandon was diagnosed with AML Leukemia at the young age of 18 in December 2012 and unfortunately after almost 4 years of battling the cancer and the side effects of treatments, Brandon lost his battle. “Fly High Brandon”.

Our foundation provides support to pediatric cancer patients and their families at Brenner Children’s Hosp. in Winston-Salem, UNC Children’s Hosp. in Chapel Hill and the Ronald McDonald Houses in Durham, Chapel Hill and Greenville. We give “goody bags” throughout the year and at holidays to patients in hopes it will take their young minds off the awful disease they are battling. We will also provide gifts to Moms and Dads for Mother’s Day, Father’s Day and Christmas. The Ronald McDonald House will receive toys, books, games, puzzles, snacks, drinks and special gifts. Patients and families spend from hours to months hospitalized, so our hope is to put a smile on those precious faces and let them know we are all praying for them.
